FIREFIGHTERS

If you are enrolled in the Union's UnitedHealthcare plan, you should be aware that a UnitedHealthcare medical plan will be offered to retiree firefighters who continue to participate in the Union's health insurance. This year there will be a new UHC Group Medicare Advantage PPO plan offered to retirees who are enrolled in Medicare.

Open Enrollment materials for the Union insurance will be sent to retired Santa Barbara County firefighters prior to Open Enrollment which occurs in October 2018. Otherwise, to get 2019 plan information, rates, forms, Open Enrollment deadlines or to make plan changes firefighters should contact Benefit Service Center, at (800) 842-6635 or www.mybenefitchoices.com/local2046.

This year, Local 2046 is offering a Retiree Firefighters Open Enrollment session, which will be held on Thursday, October 11, 2018 at 9:00 AM at Fire station 18 in Gaviota. Representatives from the insurance broker, Benefit Service Center, and UHC will be there to answer questions.

It is important that you also notify SBCERS by October 31, 2018 of any Union plan changes you make for the 2019 plan year as well as each time insurance-related changes occur during the plan year to ensure that the correct premiums are deducted from your benefit payments.

You should also be aware that retired County firefighters may participate in Santa Barbara County-sponsored insurance. Open Enrollment is your opportunity to enroll in the County-sponsored insurance. See "News, Highlights and Instructions" if you are considering this option.

CareCounsel

CareCounsel’s goal is for your healthcare experience to be as stress-free as possible. They’ll listen to your concerns, ask questions, guide you to the right resources and intervene on your behalf when needed. Their only agenda is you and your family; they’ll always look out for your best interests.

CareCounsel, a wholly owned subsidiary of Stanford Health Care, is an independent organization. The CareCounsel advocacy program is not part of your health insurance; it is a special benefit sponsored by your former employer to help you understand and navigate the complexities of your health benefits.

Some of the areas for which CareCounsel provides in-depth support:

- ✓ **Choosing the best health plan for you and your family during Open Enrollment**
- ✓ **Helping you find doctors, seeking second opinions and accessing care**
- ✓ **Obtaining necessary authorizations**
- ✓ **Troubleshooting claims/bills**
- ✓ **Navigating Medicare (when you turn 65 and onward)**
- ✓ **Grievances and appeals**
- ✓ **Becoming a proactive health consumer and maximizing healthcare dollars**
- ✓ **Accessing the Stanford Health Library and educational webinars**

Member Care Specialists do not provide medical advice or treatment. As a subsidiary of Stanford Health Care, they are committed to providing exceptional service and can draw on world-class medical expertise, cutting-edge research and technology and extensive resources to help you.

Note — Enrollment in the CareCounsel program is mandatory and automatic for any retiree enrolled in a County medical plan.

Medical and Prescription Plan Choices

The County of Santa Barbara offers a choice of medical plans, all of which include prescription drug coverage. The medical plan comparison charts found in this guide show a brief summary of the benefits available. The Benefit Summaries (Official Plan Documents) provide the exact terms and conditions of coverage.

- ✓ **Retirees may choose from the following plans.**
- ✓ **All four Blue Shield Medical Plans use the same (PPO) Provider Network.**

Blue Shield EPO – An Exclusive Provider Organization (EPO) insurance plan that allows access to health care only from a Blue Shield PPO network physician, facility or other healthcare professional, including specialists, without designating a Primary Physician or obtaining a referral. Under the EPO plan, you must use contracted Blue Shield PPO providers or your care will NOT be covered; there are no benefits for out-of-network services, except in the event of an emergency. Two types of EPO plans are offered:

Low Option – The Low Option plan has an annual deductible which must be met before Blue Shield begins to pay claims. A co-payment (“co-pay”) is a standard fee you have to give the physician or facility at the time of service. Co-pays are made by participants for services, some of which are not subject to the deductible. Participants may also be responsible for co-insurance in the form of a percentage of charges for some services.

High Option – The High Option plan has richer benefits than the Low Option, although the premium is higher. There is no annual deductible to meet before Blue Shield pays claims. Co-pays are made by participants for services. Participants are often also responsible for co-insurance in the form of a percentage of charges for some services.

Blue Shield PPO – A Preferred Provider Organization (PPO) insurance plan that offers flexibility by allowing you to see any provider when you need care and to choose between receiving services from in-network or out-of-network providers. You have an annual deductible you must meet before Blue Shield begins to pay claims and you are also responsible for a certain portion of the charges, i.e., co-insurance, co-pays, etc. When you use contracted Blue Shield in-network PPO providers, you pay less for services and will not have to file claim forms. When using out-of-network providers you may need to file claims, and you may pay more out-of-pocket.

A provider finder, ID card and benefit information are accessible online or from your smartphone. Visit www.blueshield.ca.com/csac where you can also download the mobile app.

Regular Prescription Benefits

Under the Low EPO, High EPO and PPO plans, prescription benefits are provided by Express Scripts® through either retail (at a Pharmacy) or mail order service in accordance with the Express Scripts® Advanced Utilization Management program. Remember: You must use your Express Scripts® prescription benefit ID card to obtain prescriptions for all covered family members; the Blue Shield ID card will not be valid for prescriptions. Only the primary subscriber's name is printed on the card. These plans have Out-of-Pocket Maximums; once the maximums have been met, the plan will pay 100% of medication costs.

Medicare Prescription Benefits

Under the Blue Shield Low EPO, High EPO and PPO plans, prescription benefits are provided by Express Scripts® either retail (at a pharmacy) or through mail order service. Medicare A and B enrolled retirees may choose the Express Scripts® Medicare Prescription Drug Plan (PDP) or the regular prescription plan to complement their Low EPO, High EPO and PPO plans. See "Express Scripts® Medicare PDP" for more information and review any material you may receive from Express Scripts®. ID cards are issued to each enrolled individual. HDHP participants are ineligible for the Medicare PDP.

BlueShield HDHP – A High Deductible Health Plan (a Preferred Provider Organization plan) that allows services from any provider. This plan has a high annual deductible. You do not have co-pays under this plan; you pay a co-insurance amount for all services as well as prescriptions once the deductible is met. Coverage for in-network providers has a higher benefit level and lower co-insurance. Participants in this plan who do not have Medicare may be eligible to establish a Health Savings Account.

Prescription Benefits

Under the HDHP plan, prescription benefits are provided by Blue Shield. Prescription and Medical have a combined Out-of-Pocket Maximum. You must use your Blue Shield ID card to obtain prescriptions at the Pharmacy or by mail. Participants in the HDHP plan do not have an option for the Express Scripts® Medicare PDP benefit.

Creditable Prescription Drug Coverage – See "Prescription Drug Coverage and Medicare" for important information about whether the prescription drug benefits through Express Scripts and Blue Shield are considered by Medicare to be creditable coverage.

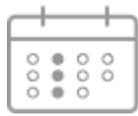

New In 2019: SOLERA – Lifestyle Change Program

This new program is available to Blue Shield early retirees and their dependents, and some Medicare (see note below). This benefit is not available to Kaiser or United Healthcare retirees (excluding firefighters electing fire union plans). Medicare members should contact Solera Health at 877-486-0141 to find out if they're eligible.

Blue Shield is offering a free comprehensive 16-week program which will help qualified members lose weight, adopt healthy habits and significantly reduce their risk of developing type 2 diabetes. The program meets weekly for 16 weeks and then monthly for the balance of the year. You may choose from an array of national programs like Jenny Craig, Retrofit or HealthSlate. To find out if you qualify for this new preventive program, go to www.solera4me.com/eia and take a one minute quiz.

Prescription Advanced Utilization Management¹

If you participate in a Blue Shield plan and your doctor prescribes brand name or specialty drugs for you, you may be required to obtain prior authorizations, try other drugs first, or have quantities limited to 30-day supplies when your pharmacy or mail order service is filling your future prescriptions. This Utilization Program applies to Express Scripts® pharmacy benefits for Blue Shield EPO Low Option, EPO High Option and PPO plans.

- **Prior Authorization**
Some prescribed drugs must be authorized before they can be covered.
- **Step Therapy**
The first step of this two-step process is the use of a first-line or generic drug before a second-line drug is approved. Usually, these drugs are preferred over second-line drugs. Second-line drugs can be prescribed as the second step if the first-line drug is not effective.
- **Quantity Management** Some drugs have quantity limits — meaning you can get only a certain amount at one time. If the pharmacy sees that a prescription was written for a larger amount than the plan covers, they can fill the amount that the plan covers or the doctor can contact the plan for approval for the prescribed amount.

¹ Does not apply to the Blue Shield HDHP Prescription Benefit or the Medicare PDP benefit available to Medicare A & B enrolled retirees.

Pharmacy tips:

- Before you run out of a medication, you should work with your doctor, pharmacy, Express Scripts® and/or CareCounsel to determine whether the medication is affected by these changes.
- Open mail from Express Scripts as soon as possible; it may be notification of a potential change to drugs you are taking. Drug formularies (list of drugs covered) change throughout the year.

Medicare Prescription Benefit

Express Scripts® Medicare® PDP (Blue Shield EPO Low, EPO High & PPO plans)

Medicare Part D prescription program is one of two prescription plans available to County retirees enrolled in Medicare A and B and the County’s Blue Shield EPO Low Option, EPO High Option and PPO medical insurance. To be eligible¹ for this plan you and/or your eligible dependents must meet the following criteria:

- Enrolled in Medicare Part A and Part B
- A retiree (or dependent) of the plan sponsor
- A permanent resident of the United States
- A participant in the County’s Blue Shield EPO Low Option, EPO High and PPO plans
- Not enrolled in any other Rx plan

How the Medicare Prescription Drug Plan works

Because Express Scripts® Medicare PDP for EIA is an enhanced Medicare D plan, it provides coverage across all of Medicare’s stages² of your benefit—even the coverage gap (“doughnut hole”). You pay co-pays for your covered drugs until your annual out-of-pocket costs reach \$4,700. Once your costs reach \$4,700, your cost share will decrease. Prescriptions may be filled at either in-network or out-of-network retail pharmacies or through Express Scripts® Mail Order service. Your co-pays will be the amounts shown on the table throughout all stages, however, they might be less during the Catastrophic Coverage stage.

Cost Share Co-Pays for EPO Low, EPO High and PPO Option Plans

	Retail 31 Day	Retail 60 Day	Retail 90 Day	Mail Order 90 Day
Generic Drug	\$5.00	\$10.00	\$15.00	\$10.00
Preferred Brand Drug	\$20.00	\$40.00	\$60.00	\$40.00
Non-Preferred Brand Drug	\$50.00	\$100.00	\$150.00	\$100.00

Your medical plan coverage through Blue Shield of California will be the same regardless of which PDP plan you select. You should check with Express Scripts® Medicare to be sure your medications are covered before making your choice.

Once enrolled and prior to your effective date³, you will receive a member Medicare PDP ID card with a Welcome Kit from Express Scripts®. You should use this card when filling prescriptions but continue using your Blue Shield ID card for any other services. The kit may also include other important materials, such as a formulary and a pharmacy directory. Because Medicare is an individual benefit, you and your covered Medicare-enrolled

dependent(s) will receive separate communications from Express Scripts® Medicare and each have your own PDP ID card with a unique member ID number.

Late Enrollment Penalty (LEP)

You may owe an LEP if you didn't join a Medicare prescription drug plan when you were first eligible for Medicare Part A and/or Part B, and you didn't have other prescription drug coverage that met Medicare's minimum standards, or you had a break in coverage of at least 63 days. If it is determined that you owe an LEP or have an existing penalty that needs to be adjusted, you will be notified. The EIA has chosen to cover the LEP on behalf of participants of County sponsored plans.

Medicare Low Income Subsidies

People with limited incomes may qualify for "Extra Help" to pay for their Medicare prescription drug costs. Medicare could pay up to seventy-five (75) percent or more of your drug costs, including monthly prescription drug premiums, annual deductibles and co-pays.

You may be eligible if you:

- ✓ Are eligible for Medicare Part A and Part B
- ✓ Beneficiaries may be deemed automatically eligible (Dual Eligible's who qualify for both Medicare & Medicaid), or they may apply through Social Security
- ✓ Meet asset/income thresholds as defined by CMS
- ✓ Please contact Medicare at 800-633-4227 or www.medicare.gov for current eligibility rules.

If you are identified by the Centers for Medicare & Medicaid Services (CMS) as qualifying for Extra Help, you will receive plan cost information in your Express Scripts Welcome kit.

Medicare Part D Income Related Adjustment Amount (D-IRMAA)

You may be required to pay a Part D income-related monthly adjustment amount (Part D-IRMAA) in addition to your monthly Part D plan premium if your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain limit. This extra amount is not paid to your plan or deducted by SBCERS, it is either deducted from your Social Security check automatically or you are billed and pay this directly to Medicare. If Social Security notifies you about paying a higher amount for your Part D coverage, you're required by law to pay the Part D-IRMAA or you'll lose your Part D coverage.

¹ If one Medicare A & B enrolled individual elects to participate in the Medicare PDP, all Medicare A & B enrolled individuals must also participate in the Medicare PDP.

2019 GUIDE TO COUNTY HEALTH PLANS AND OPEN ENROLLMENT

² Medicare's stages of benefits are: Initial Coverage Stage, Coverage Gap Stage and Catastrophic Coverage Stage.

³ The effective date will be the first of the month after 45 days from your enrollment date, per CMS Rules. When first reporting Medicare A & B you may be able to elect to also enroll in Medicare PDP, however, all applicable rate changes will take effect on the same effective date, no earlier than the first of the month after 45 days from your enrollment date.

IMPORTANT NOTICE FROM THE COUNTY OF SANTA BARBARA REGARDING PRESCRIPTION DRUG COVERAGE AND MEDICARE

CREDITABLE COVERAGE NOTICE

Keep this Creditable Coverage notice. You may be charged a penalty in the form of a life-time higher premium IF you are unable to show when joining a Medicare drug plan, whether or not you have maintained creditable coverage.

You should read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Santa Barbara County and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Santa Barbara County has determined that the prescription drug coverage offered for all Medical Insurance Plans for the 2019 Plan Year are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you are enrolled in a Santa Barbara County sponsored Medical Insurance Plan and you do decide to enroll in a Medicare prescription drug plan, be aware that you are not permitted to opt out of the County's prescription coverage plan that is "packaged" together with the County's medical insurance. You should also be aware that if you join a private Medicare Prescription Drug Plan, you, your spouse, or your dependents may lose your employer or union health coverage.

2019 GUIDE TO COUNTY HEALTH PLANS AND OPEN ENROLLMENT

If you are enrolled in both Medicare and County health insurance, you should also be aware that if you drop your County medical insurance you will also be losing your creditable prescription drug coverage for yourself and any covered dependents. You will be permitted to get your prescription coverage back for yourself and any eligible dependents, during a future annual open enrollment period.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the Santa Barbara County and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact Santa Barbara County Employees' Retirement System office at 3916 State Street, Suite 100, Santa Barbara, CA 93105 or call (877) 568-2940. You'll get this notice each year. You will also get it at other times, for instance, if this coverage through the Santa Barbara County changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage visit www.medicare.gov.

Contact your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number). For personalized help call (800) MEDICARE (800-633-4227). TTY users should call (877) 486-2048.

Additional information, counseling and assistance may be available within your local community. In California, HICAP (Health Insurance Counseling and Advocacy Program) provides trained volunteer counselors who can answer your questions and help you understand your Medicare rights and benefits. Check your local community or contact the HICAP office at (800) 434-0222 for assistance. Nationally, contact the U.S. Administration on Aging for programs and help at www.aoa.gov or the Eldercare Locator (800) 677-1116 or www.eldercare.gov.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at (800) 772-1213 (TTY 800-325-0778).

- Are you turning 65 this year and enrolled in a Kaiser Traditional HMO plan?
- Are you for any reason, NOT enrolling in Medicare A & B?

KAISER TIP

Note that if you are 65 or older and do not enroll in Medicare A & B, higher rates for the Kaiser HMO plan will apply.

Kaiser Permanente HMO – A traditional Health Maintenance Organization (HMO) plan for individuals who do not have Medicare and who reside in a Southern California Kaiser service area. You must choose a Primary Care Physician (PCP) and exclusively use Kaiser facilities and providers for all healthcare services except in emergencies. These plans may require co-pays for services.

Low Option – Lower premium, higher co-pays

High Option – Higher premium, lower co-pays

Medicare Advantage Plans (Medicare Part C)

See “Important Facts” for explanation when considering these plans.

Kaiser Permanente Senior Advantage

A Health Maintenance Organization (HMO) Medicare Advantage plan that offers more benefits than original Medicare, including Part D prescription drug coverage, plus built-in wellness programs that promote your total health. You are only eligible for these plans if you are enrolled in Medicare Part A and Part B and reside in a Kaiser service area in **Southern California**. You must choose a Primary Care Physician (PCP) and exclusively use Kaiser facilities and providers for all healthcare services except in emergencies. These plans may require co-pays for services.

Low Option – Lower premium, higher co-pays

High Option – Higher premium, lower co-pays

UnitedHealthcare Medicare Advantage

A Health Maintenance Organization (HMO) Medicare Advantage plan that offers benefits only for Retirees enrolled in Medicare Part A and Part B and who reside in a UnitedHealthcare service area in California. (Note: A number of areas are not qualifying service areas. Effective 2016, now open to County retirees who reside in Lompoc). You must select and use a Primary Care Physician (PCP) for all healthcare services and obtain referrals or your care will NOT be covered. There are no benefits for out-of-network services, except in the event of an emergency. This plan features all of the health coverage services offered by Medicare, including Part D prescription drug coverage, plus extra services Medicare does not offer. These plans may require co-pays for services.

Low Option – Lower premium, higher co-pays

High Option – Higher premium, lower co-pays

Medical Travel Benefits – Carrum Health

The County of Santa Barbara offers a Medical Travel Benefit to early retirees¹. A special Centers of Excellence program through Carrum Health is being made available to eligible Blue Shield medical plan early retirees and their dependents who are facing orthopedic, spinal, cardiac, or bariatric surgery.

	FEATURE	WHAT IT MEANS TO YOU
	Top-quality hospitals and doctors in Southern California	<p>Learning that you need surgery is difficult enough - finding the right hospital and doctor for your individual needs is even more challenging. Not all medical providers deliver the same quality of care.</p> <p>Carrum Health has done the research to find the top southern California hospitals and identified regional Centers of Excellence demonstrating the best outcomes, fewest complications and highest level of personalized care – meaning patients experience smoother recoveries and get back to normal functionality sooner.</p>
	Costs, if any, are known beforehand	<p>If you choose Carrum Health for your orthopedic, spinal or cardiac surgery, you'll know exactly what it will cost beforehand, if anything at all. In most cases², the County's health insurance plan will cover 100% of charges and your out-of-pocket costs² will be zero, saving you thousands of dollars. No medical bills, no travel expenses, no confusion and no surprises.</p>
	Personal Care Concierge throughout the entire episode of care	<p>Navigating the complexities of healthcare can be challenging when planning for surgery. Figuring out who to visit, how to prepare and what to expect when transitioning from one care provider to the next isn't something you do very often.</p> <p>Carrum assigns a personal Care Concierge to guide you through the entire episode of care. From selecting the right hospital and doctor, to gathering medical records, to assisting with travel (if needed) for you and a companion – your Care Concierge will be there to help every step of the way.</p>

¹ Early retirees are those not enrolled in Medicare A & B.

² Due to IRS regulations, Blue Shield HDHP enrollees are subject to their deductible but co-insurance is waived.

Rx'n Go[®]

Effective January 1, 2018, the County of Santa Barbara is introducing a new voluntary mail order pharmacy benefit program called Rx 'n Go.

You now have the option to receive up to a 90-day supply of generic prescription maintenance medications by mail at no cost to you thru Rx 'n Go. Only generic medications on the Rx 'n Go covered drug list will be provided to you at no cost.

This program is available to all early retirees and their dependents that are enrolled on a Blue Shield medical plan. Retirees that are 65 and over or any retiree on a Kaiser plan are not eligible for this voluntary program.

Over 1,200 generic medications to treat on-going medical conditions are available for free to you via Rx'n Go!

View available medications at www.rxngo.com.

Watch a short video to learn more about the program at vimeo.com/109917892.

Your Choice

The voluntary Rx 'n Go pharmacy program is in addition to your current pharmacy benefit thru Express Scripts or Blue Shield. Now you have a choice for generic mail order medications. You must still use Express Scripts or Blue Shield for medications that are not on the Rx 'n Go drug list. Note: members on the HDHP plan are only eligible for **preventive** generic medications at no cost due to IRS guidelines.

Contact us at 888.697.9646
or visit us online at www.rxngo.com

What about Diabetic Supplies?

You have the option of receiving up to a 90-day supply of Prodigy® diabetic test strips and lancets by mail at no cost to you. The initial diabetic test strip order includes a new Prodigy® diabetic monitor!

How to Get Started

Complete a Pharmacy Profile Form online at www.rxngo.com or call Customer Service at 888.697.9646 to set up an account with us. You then have two easy options for submitting new prescription(s):

Dental Plan Benefits

There are two plans offered by Delta Dental. The DPPO Plan gives you freedom to choose any dentist but also gives you the opportunity for cost savings on treatment when you use a provider from either of the two Delta Provider networks (PPO and Premier). The DHMO plan has no annual benefit maximum and provides the convenience of knowing your co-pay before your visit, when you receive treatment from your assigned dentist.

The DHMO plan is open to California Residents only.

Treatment authorizations are needed and referrals are required to obtain coverage for specialty care. A provider finder, ID Card and benefit information are accessible online or from your smartphone at: m.deltadentalins.com.

Remember:

- In order to be eligible for dental coverage, you and your dependent must be enrolled in an employer-sponsored medical plan offered by the County.
- The County has a special DHMO network with Delta Dental and you must go to www.deltadentalins.com/countyofsantabarbara for a full selection of DHMO providers. Please refer to this website when selecting a new dentist.
- Participation in medical without dental constitutes a waiver of dental benefits. You will be asked to sign an acknowledgement of this waiver when you decline dental; you will not be eligible to re-enroll at any time in the future. If you signed a waiver in the past, you are precluded from enrolling now or in the future.

Vision Plan Benefits

Vision Service Plan (VSP) is the provider for the County of Santa Barbara’s optional vision coverage plan for eye exams and eyewear. The Medical plans may provide for only a basic screening exam to detect medical eye problems such as glaucoma or diabetic retinopathy. If you do have an ophthalmological medical condition, these medical plans do provide diagnosis, management and surgery of ocular diseases and disorders.

VSP has a broad provider network with substantial access across the country in a variety of settings, including some Costco Warehouses. All VSP network providers are independent optometrists or ophthalmologists in private practice who provide full service. To receive the best benefit use a VSP Network Provider for your services and eyewear purchase. However, you do have the option of using a non-network provider under the VSP plan but the benefit allowances are lower.

To use your vision coverage, simply tell your eye care provider that you have VSP. VSP is a paperless company and does not issue ID cards, however a “Member Vision Card”, provider finder and benefit information are accessible online or from your smartphone at <http://mobile.vsp.com>. The card is a summary of your benefits and includes information to help you manage your vision service.

You and your dependent must be enrolled in a medical plan offered by the County in order to participate in the vision plan. Retirees who cancel vision insurance are eligible to re-enroll during a future Open Enrollment.

Mid-Year Benefit Change Rules

You will not be allowed to change your plan selections or add dependents until the next benefit year (2020 Open Enrollment) unless you experience a qualified status change, known as a “qualifying event”. If you qualify for a mid-year benefit change, you may be required to submit proof of change or evidence of prior coverage. Two rules apply for making changes to your benefits during the year:

- Any change must be consistent with the qualifying event.
- You must notify SBCERS and make the change within 30 calendar days of the date of the event, however if your status change is your enrollment in Medicare A and B, you should contact SBCERS for instructions 3 months prior to your Medicare effective date and must submit necessary documents and forms at least 60-90 days before your Medicare effective date.

The events that qualify for mid-year enrollment are:

1. **Change in legal marital status**, including marriage, divorce, court documented legal separation, annulment, death of spouse or termination of registered domestic partnership and establishment of registered domestic partnership.
2. **Change in number of dependents**, including birth, adoption, placement for adoption, or death of a dependent child.
3. **Change in employment status that affects benefit eligibility**, including the start or termination of employment by you, your spouse, or your dependent child.
4. **Change in work schedule**, including an increase or decrease in hours of employment by you, your spouse, or your dependent child, that affects eligibility for benefits.
5. **Change in a child’s dependent status**, either newly satisfying the requirements for dependent child status or ceasing to satisfy them.
6. **Change in residence or worksite** that results in your change that affects the accessibility of network providers.
7. **Change in your health coverage or your spouse’s coverage** attributable to your spouse’s employment.
8. **A court order** resulting from a divorce, court ordered legal separation, annulment, or change in legal custody (including a Qualified Medical Child Support Order) requiring coverage for your child.
9. **An event that is a “special enrollment” under the Health Insurance Portability and Accountability Act (HIPAA)** including acquisition of a new dependent by marriage, birth or adoption, or loss of coverage under another health insurance plan.
10. **An event that is allowed under the Children’s Health Insurance Program (CHIP) Reauthorization Act.** Under provisions of the Act, retirees have 60 days after the following events to request enrollment:
 - a. Retiree or dependent loses eligibility for Medicaid (known as Medi-Cal in CA) or CHIP (known as Healthy Families in CA).
 - b. Retiree or dependent becomes eligible to participate in a premium assistance program under Medicaid or CHIP.

11. **Change in a covered individual's eligibility for Medicare or Medicaid:**

- a. Enrolling in Medicare (A and B) is a qualifying event for purposes of changing plans mid-year.
- b. Enrolling in Medicare (A and B) is a qualifying event for purposes of adding the Medicare PDP.
- c. Enrolling in Medicare (A and B) is a qualifying event for any applicable premium reduction in your current plan, after it is reported to SBCERS. Your premium will be reduced to the Medicare coordinated rate effective the later of the Medicare effective date –OR– the first of the month following 45 days from receipt of a copy of your Medicare card and an appropriate insurance change form.

Dependent Eligibility Rules

- Your legal spouse or legally registered domestic partner; same gender/opposite gender.
- Your natural children, stepchildren, children who are either legally adopted by you or placed in your custody during the adoption process, children for whom the you are legal guardian, and any child named in a qualified medical child support order for which you are required to provide health coverage. Dependent children must be under the age of 26 and not be eligible for medical insurance through his or her employer.
- Your eligible physically or mentally handicapped children who depend on you for support, regardless of age. Eligibility is determined by Blue Shield or Kaiser Permanente. You must fill out a Disabled Form and submit it to Blue Shield or Kaiser for review and approval.
- A child of a covered domestic partner who satisfies the same conditions as listed above for natural children, stepchildren, or adopted children, and in addition is not a “qualifying child” (as that term is defined in the Internal Revenue Code) of another individual.

NOTE: You will be responsible for benefit claims paid by the health plans and County-paid premium costs for any ineligible dependents enrolled in plans.

Health Care Subsidy

Retired members of SBCERS who participate in County-sponsored health plans currently receive a health insurance subsidy (aka insurance offset) of \$15-per-month-per-year-of-service toward their premium costs. As an example, if a retiree has service credit of 25.5 years, he is eligible to receive \$382.50/month (25.5 x \$15 = \$382.50) toward the County health insurance premium for him and his dependents:

Monthly Insurance Premium	\$1,500.00
<u>Health Insurance Subsidy</u>	<u>-\$382.50</u>
Retiree Share of Premium	\$1,117.50

Surviving spouses and other beneficiaries receive an amount proportionate to their benefit continuance percentage. Members receiving a disability retirement allowance currently receive a health insurance subsidy of at least \$187 per month.

If you receive multiple monthly benefit payments, your insurance subsidies from all accounts may be added together, so that the combined subsidy is applied to the total premium amount.

If you and your spouse are both County Retirees, you may be eligible to pool your subsidies together when one retiree carries the other as a dependent on the insurance. See “Subsidy Combining ...” and/or “Subsidy Pooling...” under “Important Facts You Need to Know.”

Health Reimbursement: if you don’t have County health insurance

Eligible retirees and beneficiaries not enrolled in County-sponsored health insurance, receive help with health expenses, through a Health Reimbursement Arrangement (HRA) benefit funded by the County. You are automatically enrolled in the HRA when you drop County-sponsored health insurance. An amount equal to \$4-per-year-of-service is set aside monthly in a HRA account that is automatically set up for you when you decline or cancel County-sponsored health insurance. This tax free money is available for reimbursement of eligible post-tax health expenses for which you paid out-of-pocket during your coverage period. Unused balances roll over from year-to-year.

This benefit is administered by WageWorks. You may be reimbursed for eligible health expenses incurred and paid by you and/or your qualified dependents. To receive reimbursement you must either complete and submit claims to WageWorks for along with proof of the expense and proof of payment (e.g. Medicare statements and receipts) or use a pre-paid debit card issued to you by WageWorks.

HRA account balances transfer to an eligible monthly benefit recipient upon the death of a retiree (e.g. spouse). If no continuing monthly benefit is payable, HRA funds remain available to the estate for up to 12 months after a retiree’s death for reimbursement of eligible health expenses, after which the coverage period ends.

For additional information about this benefit and the reimbursement process, call WageWorks at 877-924-3967 or visit www.wageworks.com.

Medicare Coordination of Benefit

When your group plan provides benefits after Medicare, the combined benefits from Medicare and your group plan will equal, but not exceed, what they would have paid if you were not eligible to receive benefits from Medicare (based on the lower of the Claims Administrator’s Allowable Amount or the Medicare allowed amount). Your group plan deductible and copayments will be waived.

Getting the Best Benefit: When Covered by Medicare & Blue Shield

Before receiving services from new providers, always ask:

- 1) Are you a “Medicare Assigned” doctor? and
- 2) Are you a Blue Shield contracted PPO Provider?

If the provider answers yes to both questions, you can feel secure about receiving the best benefits from your coordinated plans.

When Charge for Retiree is Covered by Medicare, Doctor Accepts Medicare’s Fee Schedule & Blue Shield is Secondary

When Blue Shield receives a Medicare claim from Medicare where Medicare has paid a portion, Blue Shield processes the claim as the secondary payer and pays allowable amounts up to 100% of charges.

Example (under Blue Shield’s PPO plan):

Office visit charge	\$80.00
Medicare fee schedule allows	\$60.00
Medicare pays 80% of the \$60.00 charge	-\$48.00
Balance of bill	\$12.00
Blue Shield pays	-\$12.00
Patient Responsibility	\$0.00

When Charge Not Covered by Medicare, Blue Shield Acts as Primary

When Blue Shield receives a Medicare claim from Medicare with a denial of charges because it is a non-covered service, Blue Shield processes the claim as if they were the primary payer.

Example (under Blue Shield’s PPO plan):

Chiropractic doctor’s regular Office visit charge	\$80.00
Medicare fee schedule allows	\$0.00
Medicare pays 0% of the \$80.00 charge	\$0.00
Balance of bill	\$80.00
Chiropractic doctor’s regular Office visit charge	\$80.00
Blue Shield pays 80% of the charge	-\$64.00
Balance of bill	\$16.00
Patient Responsibility	\$16.00

The Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act (WHCRA) requires employer groups to notify participants and beneficiaries of the group health plan, of their rights to mastectomy benefits under the plan. Participants and beneficiaries have rights to coverage to be provided in a manner determined in consultation with the attending Physician for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymph edema.

These benefits are subject to the same deductible and co-payments applicable to other medical and surgical procedures provided under this plan. You can contact your health plan's Member Services for more information.

Premium Assistance Under Medicaid & the Children's Health Insurance Program (CHIP)

You may find a copy of this Notice at <http://cosb.countyofsb.org/hr/default.aspx?id=44602>. If you do not have internet access and would like a paper copy, contact SBCERS.

Patient Protection and Affordable Care Act (PPACA) Disclosure Statement

This group health plan believes the Kaiser Traditional (non-Medicare) Low option HMO, Kaiser Traditional (non-Medicare) High option HMO and the Blue Shield High Deductible Health Plan are "grandfathered health plans" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits. For any questions please contact the County of Santa Barbara Human Resources.

Important Facts You Need to Know

Age 65 and Medicare — If you are turning 65 during the plan year, you should re-examine your insurance profile. Reaching age 65 could entitle you to enrollment in Medicare. Choosing whether or not to enroll or being ineligible for Medicare, may have an effect on your County insurance premiums.

Annual Open Enrollment Periods are the annual period during which you have the opportunity to enroll in or change healthcare plans. If you are enrolling in or changing plans for 2019, your forms must be received by SBCERS no later than October 31, 2018; otherwise you will not be able to make changes until 2020 Open Enrollment. If changing carriers, you must submit a disenrollment form for the old plan as well as an enrollment form for the new plan.

Blue Shield ID Cards for EPO Plans may show the plan type as “PPO” even if you are enrolled in an EPO plan. Blue Shield listed “PPO” on the ID cards as a way of identifying the Provider Network that the subscriber may use. In cases where the EPO plan designation is not shown on the card, the Group # does identify your specific EPO plan. All Blue Shield cards list the Retiree’s name only; they do not show dependents’ names.

CMS — The Centers for Medicare and Medicaid Services (CMS), is a federal agency within the United States Department of Health and Human Services (DHHS) that administers the Medicare program and works in partnership with state governments to administer Medicaid, the State Children's Health Insurance Program (SCHIP), and health insurance portability standards.

COBRA Covered Retirees who are in the COBRA covered insurance period have the opportunity to change plans and dependent coverage during Open Enrollment. Please follow the process described in this book to make any plan and/or coverage changes; you must submit your changes to SBCERS. **Newly** enrolling in Medicare while you have COBRA coverage disqualifies you from COBRA coverage. You may be responsible for reimbursement of claims paid incorrectly after your Medicare effective date. Continuation of COBRA benefits might be available in some cases for a COBRA-covered spouse. Extended COBRA is only available to California residents. Reaching the end of your COBRA eligibility period (18 months or three years) is a qualifying event enabling you to make insurance changes outside of Open Enrollment.

CSAC-EIA — California State Association of Counties Excess Insurance Authority (CSAC-EIA) Health Program is a Joint Powers Authority (JPA) for cities, counties and special districts. The founding principle of EIA Health is to provide a stable and cost effective health insurance option for public entities. EIA Health has created value and long-term rate stability by combining the risks of participating employer groups with similar risk profiles.

Eligibility — You are eligible for health insurance coverage offered by the County and may enroll at retirement, during any Open Enrollment period or if you experience a qualifying event outside of Open Enrollment. You must be enrolled in a medical plan in order to enroll in a dental and/or a vision plan. Even though you may decline insurance at any time you will be eligible to enroll in the future, with one exception. Participation in a medical plan without a dental plan constitutes a lifetime waiver of dental benefits. You will be required to sign an acknowledgement of that waiver upon declination of dental coverage. Insurance and insurance benefits are not guaranteed benefits.

2019 GUIDE TO COUNTY HEALTH PLANS AND OPEN ENROLLMENT

Eligibility for Dental Plans — The dental HMO plan is only open to California residents. The PPO plan is open to all retirees. You are eligible to participate in a dental plan only if you never cancelled or waived coverage while maintaining enrollment in a County medical plan.

Eligibility for Kaiser Permanente Plans — These plans are only open to California residents who live in qualified areas. Different rates apply to age 65 retirees or dependents enrolled in a Kaiser plan who are not also enrolled in Medicare A and B.

Eligibility for UnitedHealthcare Plans — These plans are only open to California residents who live in qualifying areas.

Health Insurance Marketplace — Under the Affordable Care Act (ACA), if you are not covered under a health insurance plan, unless you are exempt, you may be assessed a penalty through your tax return. You have several ways to get insurance including through: SBCERS, your state's health insurance Marketplace (also called an Exchange), an insurance broker, or a public health group like Medicare, Medicaid, or the VA. For more information go online to:

www.healthexchange.ca.gov

www.healthinsurance.org/learn/

www.healthcare.gov

www.cahealthadvocates.org/

Health Savings Accounts — If you enroll in the High Deductible Health Plan (HDHP) and you are not enrolled in Medicare, you are eligible to establish a Health Savings Account (HSA). An HSA is a tax-free savings account that you can use to pay qualified medical expenses, and can be established at most banks offering tax-free savings accounts. If you discontinue an HDHP, remember to use any monies remaining in the HSA account in accordance with IRS rules. SBCERS does not offer HSA's and is unable to provide information about or assist with these accounts. Once enrolled in Medicare A and B, you can no longer contribute to your HSA.

Insurance Advocacy and Senior Resources — Organizations such as Area Agency on Aging and Health Insurance Counseling and Advocacy Program (HICAP) may be available for health insurance assistance and/or Senior resources in your area, in addition to advocacy offered by CareCounsel (see "Who Can Help You...").

Medical Exchanges — See "Important Facts... Health Insurance Marketplace."

Medical Travel — This also referred to as medical tourism, health tourism, and medical vacation, refers to the travel of people to another country for medical treatment. Traditionally, people would travel to major medical centers in highly developed countries for medical treatment that was unavailable in their own communities. More recently, people travel from highly developed countries with high quality, state-of-the-art Centers of Excellence for medical treatments because of cost consideration, though the traditional pattern still continues.

Medicare Advantage Plans (aka Part C) — Medicare Advantage Plans, sometimes called "Part C" or "MA Plans," are offered by private companies approved by Medicare. If you join a Medicare Advantage Plan, you still have Medicare. You'll get your Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance) coverage from the Medicare Advantage Plan and not Original Medicare. If you are enrolled in a UnitedHealthcare Medicare Advantage or Kaiser Senior Advantage plan, Medicare services are covered through those plans and not under Original Medicare. SBCERS' Medicare Advantage Plans include Part D (prescription drug coverage). Do not join any other Medicare Prescription Drug Plan while you are enrolled in a Medicare Advantage Plan, or Medicare will dis-enroll you from your Medicare Advantage Plan and return you to

Original Medicare.

Medicare & Age 65—See “Age 65 and Medicare” in “Important Facts You Need to Know.”

Medicare Coordination with Other Coverage — If you participate in a Blue Shield plan and you are enrolled in Medicare A and B, the Blue Shield plan provides comprehensive secondary insurance. When there is more than one payer, “coordination of benefits” rules decide which one pays first. The “primary payer” pays what it owes on your bills first, and then sends the rest to the “secondary payer” to pay. See also “Medicare Coordination of Benefit.”

Medicare Part A or Medicare Part B Only — If you participate in Medicare, but only in Part A or only Part B, you are not eligible for a reduced County insurance premium. You may wish to contact Medicare for information about enrolling in either.

Medicare Parts A & B and County Insurance— If you are participating in a County-sponsored medical insurance plan and enroll in Medicare Parts A and B you may be eligible for a reduction of your County medical insurance premium on or after your Medicare effective date and/or you may change your medical plan. Be sure to let your SBCERS Benefits Specialist know 3 months before your Medicare effective date (usually this is the 1st of the month in which you turn 65) or as soon as possible. You will need to submit forms to indicate whether you are dropping County insurance or wish to change plans or keep your current plan and have your insurance benefits coordinated and receive a reduction in your monthly County insurance premium. You will also be asked to provide a copy of your signed Medicare card if you elect to keep the County’s insurance.

Retirees who have Medicare A & B and a Blue Shield plan may find that, because of the coordination of benefit between Medicare and Blue Shield when services are obtained from providers that are Medicare assigned and Blue Shield contracted, that they ultimately may not be responsible for the Blue Shield co-pays and deductibles. Contact Blue Shield or CareCounsel for details. Adding Medicare and coordinating benefits between Medicare and your County medical plan is not a qualifying event that entitles you to change plans outside of Open Enrollment. Upon receipt of your insurance change form and Medicare Card copy, we will reduce your premium prospectively only.

Medicare Prescription Coverage Part D — The prescription coverage included in County sponsored medical plans is either Medicare D coverage or is considered creditable coverage because in most cases they offer a “richer” benefit than most Part D plans. ***If you are enrolled in a County-sponsored medical plan, you should not enroll in another Medicare Part D plan.*** See “Prescription Drug Coverage and Medicare.”

Medicare Supplement Plans — A Medicare supplement (Medigap) insurance, sold by private companies, can help pay some of the health care costs that Original Medicare doesn’t cover, like copayments, coinsurance, and deductibles. The County does not offer Medicare supplement Plans.

Office Visits & Preventive Services — You should be aware that office visit co-pays and charges may vary based on the type of service received during the visit. Some “special” office visit services may fall outside of what is considered part of a normal office visit and therefore incur higher charges and/or change the way coverage works for that service.

You should also be aware that preventive services billed as preventive with a *preventive* diagnosis code will not be subject to a deductible or co-pay/co-insurance. However if a claim has a *medical* diagnosis code, services will be subject to the deductible or co-pay/co-insurance.

Out-of-Area Coverage by Blue Shield for non-California Residents and for Retirees While Traveling—

Retirees who reside and/or travel outside California will have access to care through Blue Shield’s BlueCard Network. You are still responsible for the usual payments (deductibles, co-pays, etc.). Retirees on the EPO plans should always remember that there is no coverage, except for emergencies, if you do not use a BlueCard Provider. Retirees traveling out of the country who need emergency services should contact Blue Shield as soon as possible. You will need to pay for the services out-of-pocket and submit a claim for reimbursement upon returning to the country. Only emergency services will be covered.

Out-of-Area Coverage for Kaiser and United Healthcare Participants — No matter where you are in the world, you should be covered for emergency and urgently needed services. Co-pays will apply and may vary. You must notify your carrier within 48 hours of receiving out-of-area services.

Over-Age Dependents — Report and drop dependents as soon as they no longer qualify for coverage on your County insurance; this may entitle you to a decrease in your monthly premium. An annual certification is required by the carrier for each over-age dependent that is eligible to remain on your insurance. In the event that you do not drop a dependent who is ineligible for coverage under the County plans, you will be responsible for benefit claims paid by the health plans and any associated premium costs. See “Dependent Eligibility Rules.”

Premium Payment — After the insurance subsidy is applied to the premium, any remaining balance is the retiree’s share of premium. This is paid through a deduction from your monthly retirement allowance on a post-tax basis in accordance with the Internal Revenue Code §402(a). A calculation box has been provided at the end of this guide.

Premium is More than Retirement Allowance (“Self-Pay” Option) — You might be eligible to participate in County sponsored insurance even if your share of premium is more than the amount of your net retirement allowance.

- To elect the self-pay option you must pre-pay your share of premium every month. After apply your subsidy, the retirement office will apply all but \$10 of your retirement allowance toward your health insurance premium cost. (The \$10 amount is a “cushion” to ensure processing in case of a minor tax modification or other payroll adjustment.) You must then remit payment of the remaining premium amount to SBCERS so that it arrives no later than the 15th of the month prior to the coverage month. There is no grace period. Please keep in mind that delinquent payments could cause the cancellation of insurance.

Subsidy Combining for Recipients of Multiple Benefits — If you receive multiple monthly SBCERS benefit allowance payments from the same employer plan sponsor, your insurance subsidies from all accounts may be added together so that the combined subsidy is applied to the total premium amount.

Subsidy Pooling for Married Retirees — If two retirees are married to each other (or are registered domestic partners) and are both eligible for a health insurance subsidy, they may “pool” their subsidy amounts toward the premium cost for two-party or family coverage. One of the retirees must enroll in medical, dental and/or vision coverage, listing the retired spouse/partner as a dependent to participate in subsidy pooling. The option of pooling is only available to retirees who share the same employer plan sponsor. For example, a Court Retiree cannot pool with a County Retiree.

- CareCounsel fee is paid from the subsidy first, therefore it will show on monthly 'pay' statement as \$0.00 deduction.
- Rates shown do not include any premium for other insurance, such as Medicare B.
- If you join a private Medicare D Plan while enrolled in both a County Medical plan with Medicare Prescription coverage AND Medicare, you may lose the County coverage.

COBRA Facts for Retirees

If you are retiring in 2019, or if you are a recent retiree with COBRA coverage.

If you retire in 2019, it is important to know that you may be eligible for the continuation of your active employment insurance through COBRA, with premium deductions from your monthly retirement benefit payments.

Health Insurance - Your medical, dental, and vision coverage will end on the last calendar day of the month in which your separation from employment occurs.

Once your last employment payroll is processed, the County's COBRA administrator, **Benefits Coordinators Corporation (BCC)**, or your Plan Sponsor's COBRA administrator, will send you an election notice detailing your rights to re-enroll with no lapse in coverage, no pre-existing conditions, and what your premium cost will be.

If you have elected and completed Retiree COBRA enrollment forms with your SBCERS Member Services Specialist during your retirement counseling:

1. SBCERS will enroll you in Retiree COBRA insurance with BCC. You do not need to complete nor mail forms or any form of payment to BCC or your Plan Sponsor's COBRA administrator.
2. SBCERS will deduct COBRA premiums from your monthly retiree benefit payment, and, as permitted by your retirement plan, apply your insurance subsidy to your monthly premiums. You do not need to pay BCC or your Plan Sponsor's COBRA administrator directly.
3. You will receive a cancellation notice from BCC or your Plan Sponsor's insurance administrator: please know that this notice is notifying you that your active employee coverage has been terminated due to your separation of employment, and that you have not enrolled directly in COBRA as a direct pay. It does not mean your Retiree COBRA has been cancelled.
 - After the 18 months of federal COBRA coverage expires, if you reside in California, you are permitted an additional 18 months under of Extended COBRA, allowing 36 months of COBRA coverage.
 - Your spouse and dependent children are eligible for 36 months of initial coverage under federal law. There is no California state extension of this coverage. They have the option to enroll separately from your coverage. **BCC** can answer any questions you may have about your COBRA coverage.
 - Domestic partners do not have federal or state COBRA rights to continue health insurance coverage unless they otherwise meet the qualifications of a dependent.

REMINDER ABOUT COBRA ELIGIBILITY: If you do not have active employee insurance at the time of retirement, you are unable to elect COBRA. You must have active employee insurance to convert to COBRA. You would be eligible for early retiree insurance, Medicare retiree insurance, or, if your retirement plan provides it, the Health Reimbursement Account.

If you are a recent retiree with COBRA coverage:

Open enrollment is an opportunity for you to elect different coverage, including a different carrier, within the COBRA tier. Your 18 month COBRA or 18 month Extended COBRA period will not reset, the COBRA coverage termination date will remain the same as if you had not changed coverage or carrier.

Terminating COBRA or Extended COBRA coverage terminates the COBRA period permanently, it cannot be placed on hold and continued at a later time.

If you turn 65 or otherwise become eligible for Medicare during your COBRA period, it is important to know that your COBRA eligibility does not change the Medicare enrollment date. You are strongly encouraged to sign up for Medicare when you are eligible at age 65. Medicare will not consider your COBRA conclusion date as a Qualifying Event to enroll in Medicare outside the normal timeframe. If you do not sign up for Medicare when you are eligible, you will be penalized when you do enroll: you will pay a higher premium for life, and you will be subject to the Medicare Open Enrollment period, which may delay your enrollment in Medicare for up to a year.

Newly enrolling in Medicare while you have COBRA coverage disqualifies you from continuing your COBRA coverage. You may be responsible for reimbursement of claims paid incorrectly after your Medicare effective date. Continuation of COBRA benefits might be available in some cases for a COBRA-covered spouse. Extended COBRA is only available to California residents. Reaching the end of your COBRA eligibility period (18 months or three years) is a qualifying event enabling you to make insurance changes outside of Open Enrollment.

You are responsible for coordinating your Medicare enrollment. SBCERS does not deduct Medicare premiums from your retiree benefit payment, nor coordinate your enrollment with the Center for Medicare Services. It is your responsibility to contact Social Security Administration directly to coordinate your Social Security and Medicare enrollment.

IMPORTANT INFORMATION ABOUT MEDICARE

You may be eligible to have your Medicare premium reduced for calendar year 2018 and the proceeds refunded to you.

SBCERS Staff has worked diligently with the Social Security Administration to advocate for our members and request consideration of Medicare IRMAA premium adjustments made for the 2018 calendar year as a result of the IRS 1099-R correction put in place by SBCERS. Recently, significant progress has been made with the Social Security Administration and SBCERS may be able to assist you to have your Medicare premiums reduced. This process does not require that you have previously appealed your Medicare premium and received a denial.

To tell if you might be eligible for a refund please follow these 3 easy steps:

1. Review your Calendar Year 2016 Tax Return to locate your Adjusted Gross Income (1040 line 37):

2. If the amount included on line 37 of your tax return is less than **10%** over the amount applicable for your filing status in the chart below, you may be eligible to appeal to have your premiums reduced to the lower premium tier and receive a refund for the amounts paid over the lower tier.

The image shows a portion of the 2016 Form 1040. Line 22 is 'Total income' and line 23 is 'Educator expenses'. Line 37 is 'Adjusted gross income' and is highlighted in yellow. The value on line 37 is \$107,000. The form number '1040 (2016)' is visible in the bottom right corner.

If your yearly income in 2016 (for what you pay in 2018) was:			
File individual tax return	File joint tax return	File married & separate tax return	You pay each month (in 2018)
\$85,000 or less	\$170,000 or less	\$85,000 or less	\$134
above \$85,000 up to \$107,000	above \$170,000 up to \$214,000	Not applicable	\$187.50
above \$107,000 up to \$133,500	above \$214,000 up to \$267,000	Not applicable	\$267.90
