

**PPO 750-80/60 Plan Retiree**

This Summary of Benefits shows the amount you will pay for Covered Services under this Claims Administrator benefit plan. It is only a summary and it is included as part of the Benefit Booklet.<sup>1</sup> Please read both documents carefully for details.

**Provider Network:**

**Full PPO Network**

This Plan uses a specific network of Health Care Providers, called the Full PPO provider network. Providers in this network are called Participating Providers. You pay less for Covered Services when you use a Participating Provider than when you use a Non-Participating Provider. You can find Participating Providers in this network at blueshieldca.com.

**Calendar Year Deductibles (CYD)<sup>2</sup>**

A Calendar Year Deductible (CYD) is the amount a Member pays each Calendar Year before Claims Administrator pays for Covered Services under the Plan. The Claims Administrator pays for some Covered Services before the Calendar Year Deductible is met, as noted in the Benefits chart below.

**When using a Participating<sup>3</sup> or Non-Participating<sup>4</sup> Provider**

Under this Plan there is no annual or lifetime dollar limit on the amount Claims Administrator will pay for Covered Services.

## Notes

---

### 1 Benefit Booklet:

The Benefit Booklet describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the Benefit Booklet for more details of coverage outlined in this Summary of Benefits. You can request a copy of the Benefit Booklet at any time.

Capitalized terms are defined in the Benefit Booklet. Refer to the Benefit Booklet for an explanation of the terms used in this Summary of Benefits.

---

### 2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before the Claims Administrator pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by the Claims Administrator before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

This Plan has a combined Participating Provider and Non-Participating Provider Calendar Year Deductible.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year.

---

### 3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder (behavioral health) consultations are provided through Teladoc.

"Allowable Amount" is defined in the Benefit Booklet. In addition:

- Coinsurance is calculated from the Allowable Amount.
-

### 4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount.

"Allowable Amount" is defined in the Benefit Booklet. In addition:

- Coinsurance is calculated from the Allowable Amount, which is subject to any stated Benefit maximum.
  - Charges above the Allowable Amount do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.
- 

### 5 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, the Claims Administrator will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered and charges above the Allowable Amount.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a Participating Provider OOPM as well as a combined Participating Provider and Non-Participating Provider OOPM. This means that any amounts you pay towards your Participating Provider OOPM also count towards your combined Participating and Non-Participating Provider OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

---

### 6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

---

### 7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit by a Participating Provider. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.
