COME NOW, Petitioner, [NAME], and Respondent, [NAME], and stipulate and agree to the following:

- 1. We settled our marital dissolution action by Marital Settlement Agreement.
- 2. Part of our equitable settlement was the intent that [Non-Member] would give up any and all right [s/he] had to [Member's], Santa Barbara County Employees'
 Retirement System account.
- 3. It has come to our attention that a provision awarding all right, title and interest in the Santa Barbara County Employees' Retirement System account to [Member] was omitted from the Settlement approved by the court.
- 4. [Non-Member] does hereby waive all right, title or interest he has now, had in the past or will ever acquire in [Member's] Santa Barbara County Employees'

 Retirement System account, now and forever, consistent with the original intent of our settlement.
- 5. [Member's] Santa Barbara County Employees' Retirement System account should be awarded to [her/him] as [her/him] sole and separate property as we originally agreed in our marital dissolution settlement.
